William D. Ford Parent PLUS Loan Request Form

NOTE: *If the student is registering for classes and has no other aid awarded, payment arrangements must be made through the Business Office to prevent the classes from being dropped for non-payment. An installment contract is available on the student's Campus Connect account.*

Before You Request a Loan

1. The student on whose behalf you are applying must complete the 2017-2018 Free Application for Federal Student Aid (FAFSA), and list South Plains College as a school to receive the FAFSA information. fafsa.ed.gov
2. Submit all requested forms and documents to complete the student's financial aid file. SPC will not award your loan until the student's financial aid file is complete.
3. Please note that the Federal Government assesses an Origination Fee to all Parent PLUS Loans. This fee reduces the amount actually disbursed for each loan. The fee is currently 4.264% for all Parent PLUS Loans originated before October 1, 2018.
4. Also note that if the Department of Education does not approve the Parent PLUS loan due to adverse credit history, the parent may resubmit the application by documenting extenuating circumstances or by obtaining an endorser. If the Parent PLUS loan is subsequently approved under these conditions, the parent will be required to complete loan counselling at studentloans.gov before the loan will be awarded. Approvals remain active for 180 days.
