Students will often turn in assignments at the end of class discussions to validate participation; failure to turn in assignments will result in lost points for discussion.

Class Relays

The class relays are intended to help students fully understand the material. More info on the set up and rules for the relays will be provided in class. Typically, students will have opportunities to earn extra credit during the relays.

Class Discussions and Relays will account for 25% of your final grade; therefore, it is imperative that you participate and attend class regularly. You will be emailed an assignment that will typically be more difficult than the actual discussion and must be turned in within 3 days for credit.

There will be three exams in this course and an optional ***cumulative*** final exam. Each of the three exams will be counted as 25% of your final grade (75% total), and the lowest exam can be replaced with the grade of optional cumulative final exam. **No make-up exams will be provided in any cases.** Any missed exam will be replaced with the grade of the cumulative final exam, no exceptions. The instructor will announce the details prior to the exam.

VII. Course Schedule: A tentative course schedule will be available on Blackboard. Unless there is extenuating circumstances, this schedule will be followed.

VIII. South Plains College Policies:

a) Attendance

Students are expected to attend all classes in order to be successful in a course. The student may be administratively withdrawn from the course when absences become excessive as defined in the course syllabus. When an unavoidable reason for class absence arises, such as illness, an official trip authorized by the college or an official activity, the instructor may permit the student to make up work missed. It is the student's responsibility to complete work missed within a reasonable period of time as determined by the instructor. Students are officially enrolled in all courses for which they pay tuition and fees at the time of registration. Should a student, for any reason, delay in reporting to a class after official enrollment, absences will be attributed to the student from the first class meeting.

b) Drops and Withdrawals

Students who stop attending a class should go through the procedure for dropping a course; otherwise they may be administratively withdrawn for lack of attendance and their record will show an "X" or "F" instead of a "W." Failure to follow college policy by withdrawing according to this procedure will be reflected on a student's transcript by the presence of "X" or "F" marks, as determined by the instructor. It is the student's responsibility to verify administrative drops for excessive absences through his or her student online account with Campus Connect.

c) Academic Integrity and Plagiarism

It is the aim of the faculty of South Plains College to foster a spirit of complete honesty and a high standard of integrity. The attempt of any student to present as his or her own any work which he or she has not honestly performed is regarded by the faculty and administration as a most serious offense and renders the offender liable to serious consequences, possibly suspension.

d) SPC Disability Statement

Students with disabilities, including but not limited to physical, psychiatric, or learning disabilities, who wish to request accommodations in this class should notify the Disability Services Office early in the semester so that the appropriate arrangements may be made. In accordance with federal law, a student requesting accommodations must provide acceptable documentation of his/her disability to the Disability Services Office.
