Course Materials

Financial & Managerial Accounting (15th edition) by Warren / Jones / Tayler [*eBook through Cengage*]

- Purchase Cengage Unlimited or CengageNOWv2 (see instructions in Blackboard’s “Start Here”)
 - The Cengage access code is delivered directly to the student’s e-mail by selecting the ‘Access delivery fee’ shipping option when purchased online.
- Access to SPC Blackboard portal for links to online assignments and grading
- Reliable internet access for Homework, Quizzes, and other learning resources

Cengage Unlimited (CNOWv2)

All chapter assignments (homework, quizzes, exams) will automatically be submitted through Cengage. The Cengage Unlimited purchase can be completed through the SPC Bookstore or at <https://www.cengage.com/c/financial-managerial-accounting-15e-warren/9781337902663PF/>. Additional purchase instructions are provided separately from this Syllabus on Blackboard’s “Start Here” tab.

All assignment due dates can be found on the CNOW website, as well as on the published “Class Schedule.” If you do not have internet access, you need to find time to go somewhere where it is available (i.e., SPC campus or Public Library). The CNOW homework manager will show your grades up-to-date and transfers them directly over to Blackboard too. You have 48 hours to dispute any online grades by e-mailing your instructor. After this time, no grades will be disputed.

The online Cengage platform has plenty of materials to help you gain an understanding of the assigned content. Each chapter includes videos, power points, and more. Please allow yourself time to exercise these resources when working on your assignments and studying for your exams.

SPC Blackboard Portal

The Blackboard software used to manage this class monitors student logins, tracking when and where the student has been in the course. Accessing this course on a regular basis is extremely important to meet the objectives. Ideally, students should daily check the “Announcements” tab in Blackboard for the most up-to-date information. Students should also frequently reference their SPC student e-mail inbox and Blackboard “Course Messaging” for direct communication with the instructor.

This course is not 100% self-paced—there will be deadlines assigned at the beginning of the term. You will feel more at ease with the materials if you stay in touch with what is going on. This course is 3 semester credit hours. Students should plan to work on about one (1) full chapter per week, to successfully complete the material.

Online Assignments

Homework is assigned to facilitate your understanding of the material. Homework is done online outside of class time and can be found through the class Blackboard on the “Course Content” tab. Assignments are separated as: *Week # > Chapter # > chapter materials*. Due dates and material(s) availability will also be listed. We will be using CengageNOW (or CNOW) to complete most homework, quizzes, and exams. CNOW is a subscription for Cengage, and the course key is automatically added by Blackboard.

Electronic Assignments

This class will involve the use of the Internet and possibly the need to access to discussion groups, forums, bulletin boards, e-mail programs and/or chat rooms in order to complete the objectives of the course. Topics assigned by the instructor will be relevant to the objectives of this class.

DISCLAIMER:

“This is to notify you that the materials you may be accessing in chat rooms, bulletin boards or unofficial web pages are not officially sponsored by South Plains College. The United States Constitution rights of free speech apply to all members of our community regardless of the medium used. We disclaim all liability for data, information or opinions expressed in these forums.”

Class Schedule

The class schedule is available on Blackboard on the “Syllabus and Schedule” tab. This is the ‘official’ calendar for the course and updates will be made directly on Blackboard (if needed to support students’ needs). Scheduled assignments may shift over the course of the term, so you should check the calendar often for updates. Students are required to complete all assignments as given by the instructor.

Assignments are due by 11:55 p.m. on the date listed on the “Class Schedule.”

Note: Late assignments will not be accepted unless arranged prior to deadline with instructor.

Exam Policy

Exams will be conducted online and outside of class time, using the CengageNOW software. Exams will have a time limit, which will be posted in CengageNOW. Exams will be scheduled in the appropriate week, and deadlines for completing the exams will be posted on the Blackboard "Class Schedule."

No makeup exams will be allowed. If a student is unable to complete the exam in the specified timeframe, he or she will not be allowed to make up the test unless arrangements are made prior to the test window. If you have special needs for taking tests, please contact your instructor or special services during the 1st week of classes. (See the *Disability Statement* located later in this syllabus.)

Course Grading Policy

Permission to make up missed work will only be available if an unavoidable reason for class absence arises (i.e., documented illness, official trip authorized by SPC, or official activity). It is the student's responsibility to complete work missed within a reasonable period as determined by the instructor.

The most up-to-date course point total will be available in Blackboard, not through the Cengage portal. There are several exercises completed outside of Cengage, so students should reference Blackboard for their most accurate standing in the course. Questions about posted scores should be directed to the instructor immediately, and not just at the end of the semester.

Participation & Withdrawal

Successful completion of Principles of Accounting (Managerial) is affected by your contribution to the course. If a student chooses not to complete the assignments and actively work on learning the material, minimum course objectives cannot be met and the student should withdraw from the course.

It is the student's responsibility to drop the course, and not the instructor's responsibility.

Participation will be graded based on in-class efforts, and students are allowed 4 absences per semester. Attendance is required for the full class period (1 hr. 15 min.) unless prior arrangements are approved by the instructor. The instructor is not responsible for removing you from the course if you cannot maintain the course schedule. Students who enroll in a course but have never participated in the class by the official census date (12th class day) will be administratively dropped.

The last day to withdraw/drop with a grade of "W" is November 30, 2023. Otherwise, students will be assigned their earned letter grade at the end of the term. Course points/progress will be updated weekly so students can evaluate if they need to drop the course. Diversity Statement

In this class, the teacher will establish and support an environment that values and nurtures individual and group difference and encourages engagement and interaction. Understanding and respecting multiple experiences and perspectives will serve to challenge and stimulate all of us to learn about others, about the larger world and about ourselves. By promoting diversity and intellectual exchange, we will not only mirror society as it is, but also model society as it should and can be.

Student Conduct

Mission Statement reflects the goal of helping students become productive and responsible citizens in a global society. This is achieved through providing learning environments that are innovative, engaging, compassionate, safe, diverse, and supportive. This mission is central to the expectations for student conduct. As members of the South Plains College community, students are expected to adhere to the Code of Conduct that is published annually in the South Plains College Student Guide (found online in the General Catalog).

Any successful learning experience requires mutual respect on the part of the student and the instructor. Neither the instructor nor student should be subject to others' behavior that is rude, disruptive, intimidating, aggressive, or demeaning. Student conduct that disrupts the learning process or is deemed disrespectful or threatening shall not be tolerated and may lead to disciplinary action and/or removal from class. A student may be administratively withdrawn from one or more courses as a result of behavior within the classroom for Academic Integrity violations. Any offense leading to administrative course withdrawal is regarded as a major offense.

Academic Integrity

It is the aim of the faculty of South Plains College to foster a spirit of complete honesty and a high standard of integrity. The attempt of any student to present as his or her own any work which he or she has not honestly performed is regarded by the faculty and administration as a most serious offense and renders the offender liable to serious consequences, possibly suspension.

Plagiarism and Cheating

Offering the work of another as one's own, without proper acknowledgement, is plagiarism; therefore, any student who fails to give credit for quotations or essentially identifiable expression of material taken from books, Internet resources, encyclopedias, magazines and other reference works, or from the themes, reports or other writings of a fellow student, is guilty of plagiarism.

Dishonesty of any kind on examinations or written assignments, illegal possession of examinations, the use of unauthorized notes during an examination, obtaining information during an examination from the textbook or from the examination paper of another student, assisting others to cheat, alteration of grade records, illegal entry or unauthorized presence in an office are examples of cheating. Complete honesty is required of the student in the presentation of any and all phases of course work. This applies to quizzes of whatever length, as well as final examinations, to daily report and to term papers.

Students are expected to do their own work on all projects, quizzes, assignments, examinations, and papers. Failure to comply with this policy will result in an 'F' for the assignment and can result in an 'F' for the course if circumstances warrant.
