COURSE DESCRIPTION: This course includes instruction in gathering evidence, fashioning evidentiary arguments, and preparing evidence for trial. Focus is placed on the practical applications of the rules of evidence.

COURSE OBJECTIVES: This course reviews the background, scope and applicability of the Texas Rules of Evidence, and explores the sources of evidence and the laws relating to its admissibility. The student will prepare legal documents regarding evidentiary matters commonly used in pre-trial discovery and at trial. Students successfully completing this course will understand the process of collecting evidence and preparing evidence for trial, be familiar with the rules governing evidence in Texas, and be familiar with the federal counter-parts to the Texas Rules of Evidence.

REQUIRED TEXTBOOK: *Evidence for Paralegals, 5th Edition* by Marlowe, Joelyn; Wolters Kluwer Publishing; ISBN: 978-0-73-559013-7

GRADING: One examination (final exam) will be given at the end of the semester and will count 25% of the final grade. Weekly class assignments (number determined by professor) will count 75% of the final grade. No make-up examinations will be given. Grade equivalents: 90 to 100% = A; 80 to 89% = B; 70 to 79% = C; 60 to 69% = D; Below 60% = F.

ASSIGNMENTS: **Assignments will only be accepted through Blackboard.** Late assignments will not be accepted. Students must maintain academic integrity in all assignments – “copying and pasting” from other sources (e.g. the Internet, other students, etc.) is plagiarism and will be grounds for dismissal from the course. Where it is apparent students have submitted substantially identical answers, those students will not receive credit for those answers.

ATTENDANCE: Students are expected to regularly and timely complete assignments. Students failing to timely submit 3 or more assignments may be dropped from the course without notice for excessive absences.

It is the student’s responsibility to verify administrative drops for excessive absences/un-submitted assignments through MySPC using his or her student online account. If it is determined that a student is awarded financial aid for a class or classes in which the student

never attended or participated, the financial aid award will be adjusted in accordance with the classes in which the student did attend/participate and the student will owe any balance resulting from the adjustment.

COMPUTERS: Paralegal Studies students have access to computers in the computer lab located in LC109. Lab computers are for course-related work only. All student work on SPC computers must be saved on a removable storage device, e.g. a flash drive.

NOTICE TO STUDENTS: In this class, the teacher will establish and support an environment that values and nurtures individual and group differences and encourages engagement and interaction. Understanding and respecting multiple experiences and perspectives will serve to challenge and stimulate all of us to learn about others, about the larger world and about ourselves. By promoting diversity and intellectual exchange, we will not only mirror society as it is, but also model society as it should and can be.
